## THANKSGIVING DAY 1964

LET US GIVE THANKS FOR THE BOUNTY OF THIS GREAT LAND

**COME AND WORSHIP AT THE CHURCH OF YOUR CHOICE**

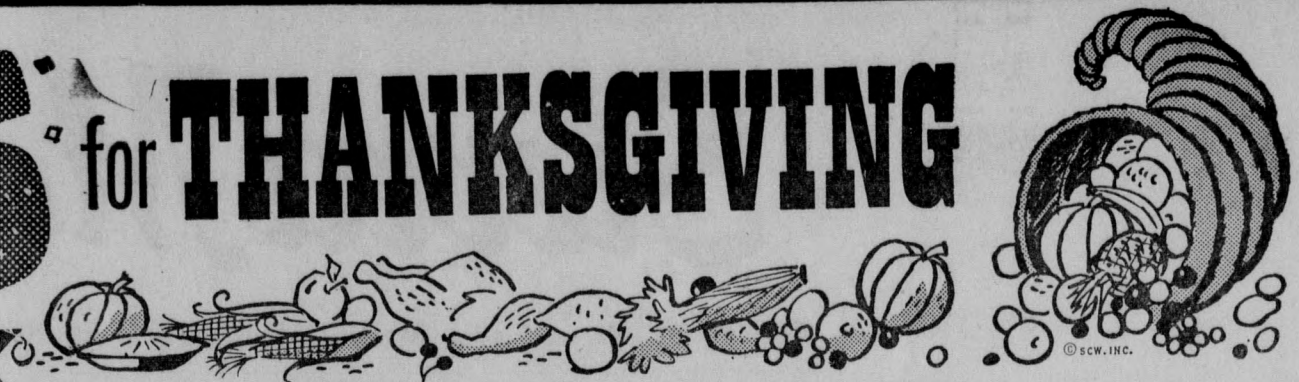

### Give Thanks . . .

Is Thanksgiving only a holiday from work, only a family gathering, only a dinner of roasted turkey? We don't think so. Join with us in giving thanks for peace, for security, for a free enterprise-democracy and all the other wonderful things which are a part of our American way of life. We give thanks for the thousands of neighbors and friends whom it is a privilege to serve in a variety of ways.

## MEMOS FROM YOUR Stylist

by LOLITA

One of the mainstays of feminine beauty — complexion — is dependent on many factors. Food habits, toxicity of the blood stream, exercise, and of course, the individual's personal care are all involved.

Some complexions suffer from excessive amounts of oil; the danger spot being primarily in the triangular area formed by the nose and chin. Make-up tends to cake in this area and enlarged pores and blemishes occur. A mild, pure soap — preferably castile — worked into this area in a circular motion is usually an effective control.

Speaking of effective — the most effective hair styling is to be had at PETITE BEAUTY SALON, 185 West Sierra Madre Blvd. Our new Vapozone machine clears up dandruff, clears up greasy scalp — dry scalp and is beneficial to the skin in every way.

THIS WEEK'S HELPFUL HINT: Hair needs — in fact, demands care and attention. Remember, however, that the proper way to brush the hair is from the scalp out.

## Services Held For Monrovia I. Taylor

Funeral services for Mrs. Monrovia I. Taylor, 57, was held on Wednesday, November 18, at the Little Church of the Flowers.

She was born in Mullin, Idaho, and lived for the last 13 years in Sierra Madre, her last address was 51 N. Cañon Avenue, Sierra Madre. She was a member of Fort Casper Chapter No. 4 OES Casper, Wyoming.

Mrs. Taylor died on Friday, November 13, at a Pasadena hospital, and is survived by her husband Mr. Glenn B. Taylor; a son Mr. Steven Glenn Taylor; a daughter Mrs. Sandra Koubba; Duarte; her mother Mrs. Mayme Stewart, Sacramento; one sister and one brother. Interment will be in Forest Lawn Memorial Park.

## Thanksgiving Eve Services At Bethany Lutheran

Rev. Neils Carlsen of the Bethany Lutheran Church announces that the church will hold Thanksgiving Eve service, Wednesday, November 25, at 7:30 p.m.

The Junior and Senior Choir will sing at this service, and Rev. Carlsen will speak on "Thankful for Ordinary Things." Everyone is invited to attend this Thanksgiving Eve Service.

Dr. and Mrs. Daniel D'Arcy of 321 E. Sierra Madre Blvd. will be spending a happy Thanksgiving day with her sister, Mrs. F. Charles Johnson, in Monrovia.

A man has to travel fast these days just to stand pat.

## Postmaster Gives Tips

A little planning during the Thanksgiving holiday can help avoid the "Christmas Rush." Postmaster Charles E. Louk said today. The Sierra Madre postmaster has some tips which will not only put ZIP into Christmas mailing, but help local postal employees move the record-breaking mountain of mail that is expected this Christmas season.

1. Find last year's Christmas mailing list. If you don't find it, or didn't have one, make one up.

2. Check to see that all addresses are correct. The phone book is usually a good source for local addresses.

3. Wherever possible, add the ZIP Code to the addresses on the list. Because ZIP Codes speed your mail, always include the code for your area in return addresses. This is the best way to inform friends, relatives and business associates of the code number for your area.

4. Determine your list of gift purchases which must be mailed. Such planning allows you to shop early when selections are greatest and you can stock up on mailing materials in advance. Be sure to purchase enough material so that parcels will be packed securely.

The postmaster emphasized that poorly wrapped and loosely packed cartons are the major cause of parcel post damage. He also suggested that the address be written on only one side of the exterior wrapping and that a duplicate address be included inside the carton, in case the outer covering is not secure and comes off.

Mr. Louk said that the Post Office Department in Washington is predicting that a record seven billion pieces of mail will move through the postal system during the peak rush just before Christmas.

"The cooperation of all mailers is vital for us to deliver each holiday card, letter and package before Christmas Day. A little planning will make the Christmas rush less hectic for everyone," he said.

## You and Your Neighbors At Thanksgiving Time

by PAULINE

Mr. and Mrs. Byron C. Hopper of 537 W. Sierra Madre are looking forward to a Thanksgiving visit with their son, David, who will be coming down from Cal. Berkeley, where he is a third year engineering student.

Ross is looking forward to entertaining her son and daughter-in-law, Mr. and Mrs. Carl Young from Santa Monica, on Thanksgiving.

Laurie, Alan and Bonnie George are looking forward to spending Thanksgiving with all their grandparents. With their parents, Mr. and Mrs. Lewis George Jr., of 397 Montecito, they'll have dinner at the home of Mr. and Mrs. Lewis I. George Sr. Sharing the festivities will be Mr. and Mrs. Roy Pickett of 189 W. Highland.

It's off to the mountains for the Walter Couchmans on Thanksgiving Day! With Nancy, Scott and Carol they'll be heading for Idlewild to join Mrs. Couchman's father, Mr. Charles Lockhart, and two brothers, Mr. and Mrs. James Lockhart with their three sons, Chuck, Bill and James will have their trailer at the resort, so the group will cook and enjoy a full turkey dinner with all the fixins'. Mr. and Mrs. Charles Lockhart Jr., will also be bringing their four sons, Jonathan, David, Thomas and Norman. If the weather is good they're all hoping to stay and camp out for several days.

Mr. and Mrs. Norman Davidson of 318 E. Laurel will be spending Thanksgiving at home, but their children are planning a delightful long weekend of skiing at Mammoth. Terry, a sophomore will be vacationing from the University of California at Riverside, and Laureen, a senior, from Polytechnic High School in Pasadena.

Mr. and Mrs. Robert Poolman of 310 San Gabriel Ct. will have very special houseguests for the Thanksgiving weekend. Coming from Stockton will be Mrs. Poolman's sister and family, Mr. and Mrs. Robert Kapral, with Denise and Lisa. Looking forward to sightseeing with their cousins are Robert, Patty and Billy Poolman. Also joining them for the traditional dinner will be Mrs. Frederick Poolman from Glendale.

Going to the Leven Oaks Hotel for a turkey feast on Thanksgiving will be a large family group of Sierra Madreans. Included will be Mr. and Mrs. Harold Petz, Mr. and Mrs. Harry Lange, Mr. and Mrs. Doug Delahooke with their children, Scotty and Todd. Also planning for the happy event are Mr. and Mrs. Bill Barnard, Mr. and Mrs. Russell Delahooke, and Mrs. Amelia Barnard of Pasadena. Coming from Hollywood, Mr. and Mrs. Art Lange and their daughter, Judy, will also join in the fun.

## Dog Training Classes Change Dates

Again, due to the bad weather, the Santa Anita Dog Training Group has had to change the starting dates of its obedience training classes at Arcadia County Park and in West Covina.

One of the few afternoon series of the year will be starting on Saturday afternoon, November 28, at 2 p.m. and one on Monday, November 30 at 8 p.m. These classes are very popular at this time of the year both for those working during the week and for the younger set that is going to school and cannot attend evening classes.

These classes are not just for the problem dog as any dog needs and deserves an education. A trained dog is much easier to live with and we all hope to have our dog many years so they might just as well be as enjoyable as possible. The West Covina class will start Tuesday, December 1 at 7 p.m. Any dog five months or up may be enrolled. For further information please call HI 6-6858 or EL 9-1481.

## LET US GIVE THANKS

### FOR LIFE AND ALL OF ITS BLESSINGS

As we gather around the holiday table with our families and friends, let us pause to acknowledge the source of all prosperity, our Almighty Creator. May He continue to bless our homes and country.

**Simpson's**  
"Garden-Town"  
California's most complete garden center  
3425 E. Colorado, Pasadena

Dear Editor:

I go to the back country. We left the highway and turned onto a dirt road following the Tennessee River. It was like stepping into another world. Old weather-beaten farm homes . . . most of them abandoned. Surprisingly not much land under cultivation. A few cotton patches now and then. "The day of the small farmer is over," I was told. "Under certain conditions, the government leases some of it to keep down production. Maybe some day it will just go back to nature. Big cotton growers have gone to Texas, Arizona, California. The younger generation not interested in farming. Some of them have built modern homes on unproductive ancestral acres. They commute to work. Some have become executives. Many briefcase men. Women have become teachers, technicians, nurses. In their homes they have milk delivery, all modern conveniences, and their children attend modern unionized schools with bus service. Many of the descendants of the early settlers have moved to Florida, California and other places."

We were in quest of our

great-grandfather's land he homesteaded in 1820. Really, it was not for an occasional antenna on an old roof and a washing machine on the porch, one could well imagine a team of oxen plodding down the road.

Finally we came to our great-grandfather's land . . . not our rich great-grandfather who once owned the great plantation farther down south . . . but our Irish great-grandfather who came to America with courage and determination, but little of the world's goods. There was the old graveyard for which he had given the land. Some recent burials. John Neel — 1775-1855. And his beloved wife Eleanor and some of their children. Surprisingly well kept throughout all the years, although a small graveyard. No one ever paid for a burial lot here. The few remaining neighbors go in once a year and clean it up, at which time they hold prayer meeting. There's a basket lunch and afternoon singing. A peaceful place. Fringed with cotton patches, back of which are pine groves, and extending beyond that are the everlasting rolling tree-covered hills aflame with autumn colors. Our ances-

ters did pick for themselves a beautiful spot. Healthful, too, higher up and out of the then malaria infested valley where so many of the early pioneers died of malaria and typhoid.

We were surprised and delighted to find that one of the elderly descendants of John and Eleanor still own and live on a quarter section of the land . . . unproductive. Just living there, waiting to join the others on the "little knoll."

Many of the very early graves are unnamed . . . marked only by rocks. After all, it was their deeds, and perhaps their descendants' probably now scattered all over the country, that are of importance. A fancy headstone is a poor bid to immortality, the finest some day to be reduced to grains of sand. As I stood there "thinking backward" I could imagine the early pioneers as they cleared the timbered land . . . their log-rollings, their quilting bees, corn shuckings . . . also their sicknesses and deaths. No high cost of dying. The neighbors dug the grave, made the coffin, "preached" the sermon, sang the hymns . . . cooked food for the family . . . that's the way it hap-

pened so very long ago. John and Eleanor, their neighbors, and their first descendants toiled many years to clear the land. And now? Mostly grazing . . . going "back to nature." It seems entirely fitting that the rust of those dear pioneers should lie here on this beautiful knoll and forever ever mingle with the red soil of Alabama.

We were soon on the highway speeding back toward Huntsville. I felt somewhat like I was living in a three-dimensional world . . . that I had stepped back into The Long Ago . . . then into the Huntsville of The Now and the space center of The Future.

—LILLIAN B. SAGE.

Dear Editor:

We are again asking your help during our annual appeal for funds to aid those afflicted with muscular dystrophy and allied neuromuscular diseases.

It is because of your generous donation of space during our 1963 campaign, that thousands of people in the cities and communities which your newspaper serves, were made aware of the local fight against muscular dystrophy and responded so warmly with voluntary contributions.

As a result of this voluntary support in 1963, the L.A. County Chapter has allocated \$116,655 for local patient and clinic services during 1964 — the largest allocation in the history of the chapter!

The reason MDAA holds a separate fund-raising drive is to assure every victim of MD and closely related muscle disorders that vital research work will continue until a cure and treatment are found; to provide local clinical services and patient services which include the furnishing of wheel chairs, braces, lifts and other orthopaedic devices; a summer day camp program for MD youth; social work services and transportation — free to all patients. The L.A. Chapter supports three clinics in L.A. County located at Orthopaedic Hospital, Valley Presbyterian Hospital and Casa Colina Rehabilitation Center. Five local research projects supported by MDAA grants-in-aid are located at UCLA Medical Center and Veterans Administration Center.

Enclosed is a set of newspaper mats and a matsheet for use during our 1964 fund-raising drive. Our campaign starts December 1, continuing through the month of December. We would greatly appreciate it if you would use the mats November 23 through December 21.

Many thanks for your continued help.

Dear Editor: (One man the following certainly doesn't apply to)

Join me some evening in a stranger's home, be it in the canyon, midtown or in the Oaks, face your nation's flag, and pledge your faith: I PLEDGE ALLEGIANCE TO THE FLAG OF THE UNITED STATES OF AMERICA, AND TO THE REPUBLIC FOR WHICH IT STANDS. ONE NATION UNDER GOD, INDIVISIBLE, WITH LIBERTY AND JUSTICE FOR ALL.

With you, repeating the words solemnly but firmly, might be a doctor, a teacher, a housewife, a merchant, an attorney, a negro, a college student, an office worker, a fireman and a teacher. None are self-conscious — none snicker at the performance of the simplest act of national devotion.

Each is proud of his country, but fearful of its numb, deadly course toward collectivism. Each is determined not to let it perish before socialism, and the inevitable result — communism. Each is attempting to do something about it. These are your next-door neighbors — the ones you look to for guidance in an emergency.

Enclosed is a set of newspaper mats and a matsheet for use during our 1964 fund-raising drive. Our campaign starts December 1, continuing through the month of December. We would greatly appreciate it if you would use the mats November 23 through December 21.

Many thanks for your continued help.

Dear Editor:

The following is a copy of a letter sent to Mrs. Norman Chandler regarding the UN flag presented to the

agency, or when there is a problem to be solved. These are the citizens who silently thank God they have, this night, a home to meet in and a flag to face.

Facists? Extremists? Hate mongers? Racists?

These are the terms applied to them daily by the columnists, radio announcers, magazine articles and editorials, and especially the television commentators. The smear is on, my friends, and you can watch it develop with increasing hysteria from every liberal lip. Patriotism is passe. Love of country is treasonable. The "Birchites" must be destroyed. (Birchite is a word coined by the Daily Worker, and aped by Huntley-Brinkley, Lippman, Coates, et al.)

Yes, sit there in your smug complacency and witness this communist conspiracy on decency and patriotism. I hope you enjoy it.

—STIFBAK

Dear Editor:

As you can see by the enclosed invitation, the children of Five Acres are putting on their own neighborhood carnival on Saturday, December 5. It is not a planned fund-raising event, although they will charge a few pennies for the various games and concessions and — if they do make any profit — it will be used for play equipment, such as a ping-pong table or basketballs.

Perhaps people who live nearby will be interested in coming and bringing their children. The library etc. will be open and the staff and the children hope their teachers and friends will attend.

If you wish to mention it and feel it is important enough, please do. The hours are from 11 until 3, and you yourself are especially invited.

—JUCY TOBERMAN  
Public Relations

Editor's Note: Five Acres is located at 760 W. Mountain View Street, Altadena.

Dear Editor:

The following is a copy of a letter sent to Mrs. Norman Chandler regarding the UN flag presented to the

Music Center.

Dear Mrs. Chandler: I had the occasion to read recently that a United Nations flag has been presented to you and will be flown over the new Music Center on special occasions.

It would interest me a great deal to know what special events will be noted in this manner.

Perhaps we could celebrate the anniversary of the building of the Berlin Wall, a brazen treaty violation about which the UN chose to do nothing.

I could suggest the anniversary of the UN action in Katanga during which hospitals were bombed and innocent civilians were the victims of ghastly atrocities by UN forces.

Perhaps we could celebrate the success of UN efforts to free United States servicemen still being held in Red China as Korean War prisoners.

We could always mark the birthday of Alger Hiss, one of the great traitors of the UN Charter.

Would it not rather be more fitting to, on all occasions, fly our own flag proudly in honor of a system under which a center of this kind was the natural outgrowth of a free and generous people.

This Music Center will be used by all citizens, and the flying of the flag of a mongrel organization that threatens the sovereignty of our country and the freedom of our children is an affront to most.

Will you please reconsider this decision and help to restore our own flag to its proper place.
